

THE ROTARY FOUR-WAY TEST

Of the things we think, say, or do:

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOODWILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

Is Rotary For You?

Rotarians in our club, and in clubs around the world, know that helping others by contributing their time and energy makes for a fuller and more meaningful life.

The Rotary Club of Denver Stapleton was chartered by Rotary International in 1985, and currently has about 20 members. Some of us live or work in the Stapleton area, but our members reach to Aurora and Downtown Denver.

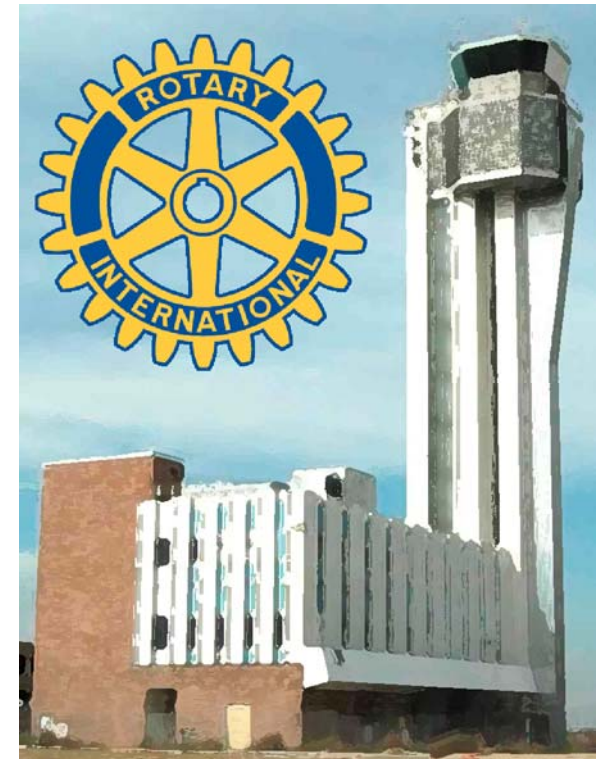

We are seeking new members who will join us in living the values of Rotary – Community Service, International Understanding, and the Power of Connection to one another.

If you are interested in joining our club and becoming a Rotarian, please contact us by e-mail at Info@DenverStapletonRotary.org.

We'd like to have you join us one Tuesday for lunch, and introduce you to our members!

The Rotary Club of Denver Stapleton

Meeting Tuesdays at Noon
at the Radisson Stapleton Plaza Hotel
3333 Quebec Street
Denver, Colorado

What is Rotary?

Rotary club members are business and professional leaders who volunteer in their communities and promote world understanding and peace. Rotary's 31,000 clubs in more than 165 countries and regions encourage high ethical standards and carry out humanitarian projects to address such issues as poverty, health, hunger, education, and the environment.

Through more than \$95 million in Rotary Foundation grants each year, Rotary clubs support community projects at home and abroad. Known as the world's largest private provider of international education scholarships, The Rotary Foundation funds more than 1,000 students annually to study overseas and act as cultural ambassadors. Rotary also partners with eight prestigious universities around the globe to educate mid-career professionals in peace and conflict resolution.

PolioPlus is Rotary's flagship program. Rotary club members have contributed \$600 million and countless volunteer hours to help immunize over two billion children against polio. Spearheading partners in the Global Polio Eradication Initiative include the World Health Organization, Rotary International, the U.S. Centers for Disease Control and Prevention, and UNICEF.

Founded in Chicago in 1905 as the world's first volunteer service organization, Rotary quickly expanded around the globe. Clubs meet weekly for fellowship to discuss local and global topics. Clubs are non-religious, non-governmental, and open to every race, culture, and creed.

The Object of Rotary

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

First. The development of acquaintance as an opportunity for service;

Second. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying by each Rotarian of their occupation as an opportunity to serve society;

Third. The application of the ideal of service by every Rotarian to their personal, business, and community life;

Fourth. The advancement of international understanding, good will and peace through a world fellowship of business and professional men and women united in the ideal of service.

What's in it for You?

The Rotary experience is built on service, friendship, business networking, personal development, and FUN!

Community Service.

Rotarians are active in raising funds and supporting a wide range of projects involving health and education, and the development of young people – in their neighborhood, nationally, and internationally.

Friendship.

A strong sense of camaraderie develops among members through the many club activities. Rotarians stand together in good times and in bad times. Lifetime friendships are often formed.

Business Networking.

Everyone needs to network. Our members represent a cross section of businesses from all walks of life. Rotarians support each other as well as helping those in need.

Personal Development.

Through activities, responsibilities, and opportunity, Rotary promotes growth in social skills, public speaking, leadership, and motivation.

Fun!

Rotary is fun! All meetings have a fun element, and there's never a dull moment when people with a common purpose pull together to support a worthwhile cause!

Service Above Self

This is the motto of Rotary International and it is reflected in the community projects of the Rotary Club of Denver Stapleton.

The basic objective of Rotary is to be of service to the community both locally and throughout the world. Our goal locally is to do what we can to improve the quality of life in the Stapleton area and neighboring communities.

The Rotary Club of Denver Stapleton, improving life in our community and beyond...

- Our annual golf tournament raises money for student scholarships, awarded through the Community College of Aurora Foundation. Thanks to last year's generous sponsors and players, ten CCA students were able to afford a quality education.
- Through our "You've Been Served" jazz event we raised funds for the Urban Farm and The Five Points Business Association.
- Our club, together with other Denver area Rotary clubs, helped build a 100,000 gallon water tank for the rural village of El Ciruelo, Honduras.
- We have worked with Rotary International to finance Microcredit loans to single mothers and fathers in Guatemala so that they can start businesses to support themselves.
